

Nov13 VSS Grad Meeting

- Prom
 - Sandman Signature banquet room is available on June 13th. They'll give it to us for \$500 (normally \$600). The quote was for noon to midnight – will ask if we can get in early to decorate.
 - Need to figure out what to do about food – Sandman gave a quote of \$14/person for basic finger food but will likely go with something more substantial
 - Can have up to 220 people (with bar-style tables)
 - Has a large lobby in front of banquet room and a lounge-type area
 - Sandman will decorate tables / chairs but we'll want to do more decorations.
 - Banquet room has carpeted floor. Sandman can provide a dance floor for the room (+\$300) but may also be able to get from Roger's Rental.
 - Hotel has security but will likely need our own security in addition
- Safe Grad
 - Barb Ward & Diane Oppenheimer volunteered to co-lead the Safe Grad committee. Thank you, ladies!
 - Need to book photo booth, games, inflatables, etc. soon (as there are several other grads happening that night)
 - Students must be at safe grad to win car
- "Common Ground" (Jesse) DJ is available on June 13th
 - Highly recommended
 - Willing to talk to grad committee
 - Grand March (includes equipment, setup): \$420 for 2 hours
Will need a parent to help him with the names.
 - Prom and safe grad: \$3,250
 - Prom only: \$1,660
 - He also does lighting so can provide a quote for that
 - **Decision:** book him as DJ for all 3 events (grand march, prom and safe grad)
- Tentative timing for June 13th
